

ESCORTIFYS

GLOBAL TERMS OF SERVICE

Document 1 of the Escortifys Global Legal Policy Suite - Revised Pre-Publication Draft

Draft status	Revised Pre-Publication Legal Draft - complete substantive text, subject to final operator-form/contact details and launch-jurisdiction review
Version	1.1
Prepared	20 August 2026
Intended scope	Global core terms; Canada-first operator framework; regional/country addenda and product rules where required

NOT FOR LIVE PUBLICATION UNTIL PUBLIC CONTACT DETAILS, LAUNCH JURISDICTIONS, AND REQUIRED PLATFORM-LEVEL LEGAL REVIEWS ARE CONFIRMED.

Drafting note: These Terms are the global contractual core for Escortifys. They do not state or imply that any Listing category, advertisement, Content type or Offline Service is lawful everywhere. Escortifys may restrict or disable Content, features, countries, regions or users whenever applicable law, safety requirements, payment-provider rules or platform policy requires it.

Publication particulars to complete before launch

The substantive Terms below are drafted as the complete global core agreement for Escortifys. Public-facing operator, controller, merchant, service-address or similar particulars should be disclosed only where and to the extent applicable law requires proactive disclosure. Public legal/support contact channels must be finalized before launch.

Item	Required final value	Where used
Contracting operator	Escortifys - public-facing platform identity; underlying operator/controller particulars to be disclosed only where applicable law requires proactive disclosure	Opening paragraph; notices; assignment; contact
Registered / business address	Serviceable address - provide only where legally required or designated for formal notice	Contact and legal notice provisions
Legal / support contact	[LEGAL EMAIL] and [SUPPORT EMAIL] - to be designated	Notices, complaints and account communications
Governing law and forum	Applicable federal laws of Canada and, where provincial private law necessarily applies, the laws of Ontario; forum: courts of competent jurisdiction in Ontario, subject to mandatory local rights	Section 33

Do not invent or volunteer corporate registration particulars in the public Terms. Before live publication, determine whether any launch jurisdiction requires proactive disclosure of the contracting person, controller, merchant, service address or similar particulars and provide only the disclosure required in the legally appropriate context. The launch-jurisdiction matrix must also be reviewed before enabling any adult-service advertising category.

How these Terms are structured

These Terms form the global contractual baseline. They are intended to operate with the following separate documents when issued: Privacy Policy; Acceptable Use & Content Policy; Advertising Policy; Payments & Refund Policy; Safety, Reporting & Appeals Policy; Cookie Policy; Intellectual Property & Takedown Policy; Law-Enforcement Request Guidelines; and regional or country addenda.

If a regional addendum or product-specific term expressly says that it overrides a provision of these Terms, the more specific provision governs for the relevant user, product or jurisdiction. Mandatory law always prevails where it cannot lawfully be waived.

1. Agreement and acceptance

- 1.1** These Global Terms of Service (the "Terms") form a legally binding agreement between you and the operator of Escortifys ("Escortifys", "we", "us" or "our"), concerning your access to and use of escortifys.com, approved subdomains, mobile or web interfaces, Accounts, Listings, search or discovery functions, verification tools, communications tools, Paid Platform Features, moderation systems, reporting systems, and other services that expressly incorporate these Terms (collectively, the "Services").
- 1.2** By accessing or using the Services, creating an account, submitting content, purchasing a platform feature, or otherwise indicating acceptance, you confirm that you have read, understood and agree to these Terms and all policies expressly incorporated by reference.
- 1.3** If you do not agree, you must not access or use the Services. If you use the Services on behalf of a company or other legal person, you represent that you have authority to bind that person; "you" then includes both you and that person.
- 1.4** These Terms do not create any right to use a category, feature or jurisdiction that Escortifys has not enabled. The availability of a webpage or technical function does not itself mean that use of that function is lawful or permitted in your location.

2. Definitions

Account. a registered Escortifys account.

Advertiser. a user who creates, controls or pays for a Listing or profile.

Content. text, images, video, audio, metadata, links, reviews, responses, messages, reports, profile data, advertisements and other material submitted, displayed, transmitted or generated through the Services.

Listing. an advertisement, directory profile or promotional page made available through the Services.

Member. a registered user who is not necessarily an Advertiser.

Provider. an adult person who is the subject of, controls, or is lawfully represented in a Listing, subject to the applicable Advertising Policy and jurisdictional rules.

Paid Platform Feature. a subscription, verification service, visibility upgrade, featured placement, spotlight, boost, or other product sold by Escortifys for use of the platform itself.

Regional Addendum. supplemental terms that apply to users, processing or services connected with a specified country, state, province, territory or regulatory region.

Restricted Safety Feature. a non-public safety, fraud, abuse or platform-protection tool made available only to eligible users, if and where Escortifys enables it.

User Content. Content submitted or made available by a user, excluding Escortifys' own software, branding and editorial material.

Offline Service. any service, appointment, encounter or other offline activity advertised, offered, discussed, requested, arranged, or introduced through the Services, whether consideration is monetary, non-monetary, discounted, gifted, bartered or otherwise.

Platform Personnel. Any owner, director, officer, employee, contractor, moderator, agent, representative, affiliate personnel or other person acting for or on behalf of Escortifys in operating or administering the Services.

3. Nature of the platform

- 3.1** Escortifys is designed as an online directory and advertising platform. Unless a separate, expressly identified feature and supplemental terms state otherwise, Escortifys does not itself provide escort, companionship, sexual, dating, transportation, security, accommodation, health, legal, financial or other offline personal services.
- 3.2** Escortifys is not the employer, agent, manager, partner, representative or joint venturer of any user. Escortifys does not set a Provider's independent working conditions, compel a Provider to accept contact, control a Provider's movements, or guarantee any offline arrangement.
- 3.3 Escortifys is not and will not operate as a booking agency, procurement service, referral intermediary for Offline Services, or settlement service for Offline Services. Escortifys does not receive, hold, transmit, settle, collect, disburse or share payment for an Offline Service. Payments made to Escortifys are solely for Paid Platform Features supplied by Escortifys.**
- 3.4 Users communicate and interact at their own discretion. Any lawful offline arrangement is solely between the users involved. Escortifys is not a party to an Offline Service merely because users met, communicated, viewed Content or exchanged contact information through the Services.**
- 3.5** Nothing in these Terms permits conduct that is prohibited by criminal, civil, consumer, privacy, anti-trafficking, labour, licensing, advertising, online-safety or other applicable law. Escortifys may impose rules stricter than local law.
- 3.6** Escortifys will not charge, receive or accept any commission, referral fee, percentage, gratuity, kickback, revenue share or other consideration calculated by reference to whether an Offline Service occurs, the value of an Offline Service, or a Provider's offline earnings. Platform fees are for the defined platform product purchased and are not contingent on an Offline Service.
- 3.7** Platform Personnel are strictly prohibited from knowingly soliciting, booking, purchasing, receiving, accepting, participating in, arranging or attempting to obtain any Offline Service from or with a user whose identity, availability or contact information became known through Escortifys, whether the proposed service is paid, unpaid, discounted, gifted, bartered or moved off-platform.
- 3.8** Platform Personnel must not use non-public user information, moderation access, verification data, reporting tools or any position of platform authority to identify, contact, pressure, favour, threaten, retaliate against or pursue a user for personal purposes.
- 3.9** A user must not knowingly offer an Offline Service, discount, gratuity, personal benefit or other inducement to Platform Personnel in exchange for verification, moderation treatment, ranking, visibility, Account access, confidential information or any other platform decision.
- 3.10** Suspected breach of sections 3.7 to 3.9 may result in immediate removal of internal access, Account suspension or termination, preservation of relevant records, internal investigation, and referral to law-enforcement, regulatory, child-protection, anti-trafficking, payment or other competent authorities where required or permitted by applicable law and where referral is appropriate to the circumstances.

4. Adult-only service; legal capacity

- 4.1** The Services are for adults only. You must be at least 18 years old and, if the law applicable to you sets a higher minimum age for the relevant Service or Content, at least that higher age.
- 4.2** No person under 18 may create or hold an Account, submit a Listing, appear as the subject of a Listing, access age-restricted Content, use a Restricted Safety Feature, purchase a Paid Platform Feature, or otherwise use the Services.

- 4.3** You must have legal capacity to enter into these Terms and must not be prohibited from using the Services by law, court order, regulatory direction, sanctions restriction, prior Escortifys suspension, or another binding restriction.
- 4.4** Escortifys may require age assurance, identity verification, liveness checks, phone or email verification, payment-method verification, document review, or other proportionate checks. The method may vary by jurisdiction, risk, user type and feature. A simple age declaration will not be treated as sufficient where applicable law requires stronger age assurance.
- 4.5** You must not falsify, manipulate, lend, sell, rent, purchase or circumvent an age or identity credential, verification badge, device check, geolocation control or other access safeguard.

5. Jurisdictional availability and geolocation controls

- 5.1** Escortifys is intended for international operation, but not every Service, Listing category or type of Content is available or lawful in every jurisdiction. Access may differ by country, state, province, territory, region or locality.
- 5.2** Escortifys may geoblock, suppress, de-index, age-gate, restrict, modify or discontinue a feature or Content category in any location, whether because of law, regulator guidance, platform risk, payment-provider requirements, safety concerns or business policy.
- 5.3** You must provide accurate location information when requested and must not use a VPN, proxy, false address, device manipulation or other method to evade a geographic, age, legal or safety restriction.
- 5.4** If your use of the Services would be unlawful in the place where you are located, where the Content is targeted, or where the relevant conduct would occur, you must not use the Services for that purpose.
- 5.5** A Regional Addendum may impose additional eligibility, verification, content, notice, consumer, privacy, dispute-resolution or operational requirements.

6. Accounts, credentials and account security

- 6.1** You must provide accurate, current and complete registration information and keep it updated. Escortifys may reject or require correction of misleading account information.
- 6.2** Unless Escortifys expressly permits a team or business account, each Account is personal to the registered user and may not be transferred, sold, rented or shared.
- 6.3** You are responsible for maintaining the confidentiality of credentials and for activity under your Account except to the extent caused by Escortifys' own breach of duty or security failure.
- 6.4** You must promptly notify Escortifys of suspected unauthorized access, credential compromise, impersonation or misuse.
- 6.5** Automated account creation, scraping, mass posting, bot activity, credential stuffing, spam, evasion of rate limits, or use of an Account to defeat moderation or verification controls is prohibited.

7. Advertiser and Provider eligibility

- 7.1** An Advertiser may create or control a Listing only if the Advertiser is legally entitled to publish that Listing and satisfies all verification, consent, licensing, registration, tax, advertising and other requirements that Escortifys or applicable law imposes.
- 7.2** A natural person advertising themselves must control their own account unless Escortifys expressly permits another verified account structure. A Listing may not falsely suggest that another person authorized, controls, endorses or participates in it.

- 7.3** You may not create, submit, manage or pay to promote a Listing for another natural person unless Escortifys has expressly enabled that form of third-party or business advertising in the relevant jurisdiction and every person depicted or advertised has completed any required verification and given informed, current authorization.
- 7.4** Escortifys may prohibit third-party, agency, studio, collective or business-managed Listings in a jurisdiction even where some form of such activity might otherwise be lawful.
- 7.5** Every Advertiser warrants on an ongoing basis that the Listing is accurate, current, not misleading, not exploitative, and does not advertise or facilitate unlawful conduct.
- 7.6** Advertisers must promptly remove or correct Content when authorization ends, circumstances materially change, or the Content becomes inaccurate or unlawful.

8. Consent, identity and depiction of persons

- 8.1** You must not upload, publish or distribute any image, video, name, likeness, voice, contact detail, identity document, personal information or profile information of another person without a lawful basis and all consent required by law and Escortifys policy.
- 8.2** No Content may depict, describe, sexualize, solicit or identify a person under 18 in connection with adult services, adult Content or an adult Listing.
- 8.3** Impersonation, stolen photographs, synthetic identity fraud, non-consensual intimate imagery, hidden-camera material, deepfakes intended to depict a real person without authorization, or misleading substitution of one person's identity for another is prohibited.
- 8.4** Escortifys may require evidence of authorization, original media, identity or age at any time and may restrict Content while verification is pending.
- 8.5** A verification decision is a platform control, not a guarantee of identity, character, legality, availability, consent outside the scope checked, or suitability.

9. User Content ownership and licence

- 9.1** As between you and Escortifys, you retain ownership of intellectual-property rights you hold in your User Content.
- 9.2** You grant Escortifys a non-exclusive, worldwide, royalty-free licence to host, store, reproduce, technically adapt, transcode, resize, display, distribute through the Services, moderate, secure, back up and otherwise process User Content solely as reasonably necessary to operate, provide, protect and improve the Services, enforce these Terms, comply with law, and make a public Listing available as you direct.
- 9.3** The licence in section 9.2 includes the right to permit hosting, CDN, security, moderation, verification and other service providers to process User Content on Escortifys' behalf, subject to applicable law and contractual safeguards.
- 9.4** Escortifys will not obtain a perpetual general marketing licence to intimate or profile imagery merely because it is uploaded. Any use of a user's identifiable profile Content in off-platform brand advertising should require a separate permission or another clearly disclosed lawful basis.
- 9.5** When a Listing is designated public, you understand that it may be visible to the public and, where Escortifys enables indexing, may be cached or indexed by search engines or third parties. Removal from Escortifys does not guarantee immediate deletion from independent third-party caches.
- 9.6** The licence ends when the relevant User Content is deleted from active systems, except to the extent reasonably required for backups, fraud and safety records, legal preservation, dispute evidence, enforcement records or compliance with law, as described in the Privacy Policy.

10. Content and conduct standards

10.1 All users must comply with the Acceptable Use & Content Policy and, where applicable, the Advertising Policy. Those policies may be more specific than these Terms.

10.2 Without limiting those policies, you must not use the Services to create, upload, solicit, advertise, promote, facilitate, arrange or distribute Content or conduct involving:

- a person under 18, child sexual abuse or exploitation material, grooming, enticement or sexualization of a minor;
- human trafficking, forced labour, sexual exploitation, coercion, threats, debt bondage, confiscation of identity documents, involuntary activity, or control over another person's movements;
- rape, assault, non-consensual sexual activity, intoxication without valid consent, stealthing, blackmail, extortion or threats of exposure;
- unlawful prostitution, unlawful sexual services, unlawful procurement, unlawful third-party advertising, or any other transaction or activity prohibited where the Content is targeted or the conduct would occur;
- impersonation, fraud, scams, false verification, stolen identity, unauthorized use of another person's photographs, or materially deceptive advertising;
- doxxing, publication of home addresses or sensitive personal information without lawful justification, stalking, credible threats or targeted harassment;
- sale or distribution of illegal drugs, weapons, stolen goods, malware, trafficking tools, or other prohibited goods or services;
- pornographic or sexually explicit material where the applicable Content Policy, age-assurance system or jurisdiction does not expressly permit it;
- discriminatory exclusion or abuse prohibited by applicable law or platform policy;
- spam, bots, scraping, deceptive redirects, malicious links, credential theft, malware or circumvention of platform controls.

10.3 Escortifys may remove Content that is technically lawful but, in Escortifys' reasonable judgment, creates unacceptable safety, privacy, fraud, exploitation, reputational or regulatory risk.

10.4 Users must not infer that Content is approved merely because it has not yet been removed.

11. Contact, communications and off-platform interactions

11.1 If Escortifys enables internal messaging or contact tools, users must use them lawfully and in accordance with the applicable Communications or Safety Policy. Escortifys may apply anti-spam, abuse, scam, safety and malware controls to platform communications.

11.2 Escortifys does not guarantee that a sender, recipient, phone number, email address or other contact detail is authentic or safe.

11.3 Users decide whether to communicate or meet offline. Escortifys does not supervise offline interactions and is not an emergency, security or screening service.

11.4 Where direct contact information is permitted in a Listing, the Advertiser is responsible for ensuring that the information belongs to them or is lawfully used and that publication complies with applicable privacy and communications laws.

11.5 Users must not use Escortifys communications to arrange conduct that is illegal, exploitative, coercive or prohibited by these Terms.

12. Reviews, ratings and Provider responses

- 12.1** This section applies only if Escortifys enables public reviews or ratings. A review feature is a user-content system, not an endorsement or factual certification by Escortifys.
- 12.2** Escortifys may restrict review eligibility to verified Members, verified interactions or other criteria designed to reduce fraud and manipulation.
- 12.3** Reviews must be based on the reviewer's genuine experience and must not contain fabricated facts, extortion, threats, doxxing, unlawful discrimination, explicit sexual detail prohibited by policy, confidential information, personal data not necessary to the review, or allegations stated recklessly as fact.
- 12.4** Buying, selling, trading, conditioning, coercing, mass-generating or manipulating reviews or ratings is prohibited.
- 12.5** Escortifys may moderate a review before or after publication, request substantiation, limit detail, redact personal data, restrict visibility, remove the review, or suspend review privileges.
- 12.6** Where enabled, eligible verified Providers may post a public response subject to the same standards. A response may not retaliate against, identify, threaten or expose a reviewer.
- 12.7** Escortifys may provide a dispute and appeal process. Removal, retention or modification decisions may take account of evidence, privacy, defamation, harassment, platform integrity and applicable law.
- 12.8** Ratings are signals generated from user input. They do not guarantee safety, legality, quality, identity, availability or future conduct.

13. Restricted Provider Safety Features

- 13.1** Escortifys may, after legal and privacy review and only in approved jurisdictions, make non-public safety, fraud, abuse or platform-protection tools available to eligible verified Providers and moderators. These may include structured Provider Safety Reports or Client Safety Notes.
- 13.2** Restricted Safety Features are not public review systems, blacklists, credit scores, criminal records or professional risk assessments. They must not be represented as such.
- 13.3** Access may be limited to verified, eligible users. Users must keep restricted information confidential and may use it only for legitimate safety, fraud-prevention and platform-protection purposes.
- 13.4** A report must be made in good faith, be reasonably specific, distinguish observed facts from inference, avoid unnecessary personal information, and comply with all reporting rules. False, retaliatory, discriminatory, malicious or knowingly misleading reports are prohibited.
- 13.5** No user may rely on a Restricted Safety Feature as the sole basis for unlawful discrimination, harassment, public exposure, threats, denial of a legally protected right, or any automated adverse action that applicable law prohibits.
- 13.6** Escortifys may moderate, categorize, restrict, correct, retain, delete, investigate or disclose a report where lawful and appropriate. Access, correction, objection or dispute rights may apply to a person identified in a report depending on law and the nature of the safety interest.
- 13.7** The Privacy Policy will describe the relevant processing at an appropriate level. Reporter identities, operational risk indicators and restricted discussions are not made public merely because the existence of safety processing is disclosed.

14. Verification and trust indicators

- 14.1** Escortifys may offer or require identity, age, phone, email, payment, photo, liveness, business, location or other verification.

14.2 A badge or verification status means only that the specified check was completed to Escortifys' then-current standard. It is not an endorsement, licence, background check, guarantee of legal compliance, guarantee of authenticity beyond the checked attribute, or guarantee of safety.

14.3 Verification may expire, require renewal, be revoked, or be suspended if information changes, risk signals arise, documentation cannot be confirmed, or policy is breached.

14.4 Users must not copy, forge, manipulate or imply a verification status they do not hold.

15. Paid Platform Features, subscriptions and promotions

15.1 Escortifys may offer Paid Platform Features such as Provider subscriptions, verified or premium tiers, featured Listings, city or homepage spotlight placement, Member or VIP access, or future visibility tools.

15.2 A payment to Escortifys purchases only the Paid Platform Feature described at checkout. It is not payment for an Offline Service, referral fee, booking fee, procurement fee, commission on an Offline Service, gratuity, or share of a Provider's offline earnings.

15.3 Prices, taxes, billing periods, renewal terms and included features will be disclosed before purchase. Availability and pricing may differ by jurisdiction.

15.4 Paid placement may affect visibility but does not guarantee impressions, contacts, revenue, clients, ranking, review outcomes, verification, regulatory approval or acceptance of any Listing.

15.5 Escortifys may refuse or discontinue a paid promotion if the underlying Content is unlawful or violates policy. Any refund or credit will be determined under the Payments & Refund Policy and mandatory consumer law.

15.6 Where recurring billing is offered, the checkout flow must disclose whether the subscription automatically renews, the renewal interval, the price or method for determining it, and how to cancel. Mandatory local cancellation and renewal rules apply.

15.7 You are responsible for taxes arising from your own activities and earnings. Escortifys may collect VAT, GST, HST, sales tax or similar taxes on its own fees where law requires.

16. Payments, refunds and chargebacks

16.1 Payment processing may be provided by third-party payment processors under their own terms and privacy notices. Escortifys does not require or store complete payment-card data where the chosen processor handles it directly, unless a future architecture expressly states otherwise.

16.2 Refund eligibility is governed by the Payments & Refund Policy, the checkout terms for the relevant product, and non-waivable consumer law.

16.3 A user must not initiate a fraudulent or abusive chargeback. Nothing in this clause prevents a user from exercising a lawful chargeback, statutory refund or consumer-protection right.

16.4 Escortifys may suspend Paid Platform Features after a payment failure, reversal, fraud signal or chargeback, subject to applicable law.

16.5 Escortifys will not ask, permit or provide a platform payment method for users to route payment for an Offline Service through Escortifys. A user must not represent that Escortifys is collecting, holding, guaranteeing, escrow-holding or settling payment for an Offline Service.

17. Moderation, automated systems and enforcement

17.1 Escortifys may use human review and automated tools to detect spam, prohibited content, duplicate media, fraud, exploitation risk, age or identity anomalies, malicious links, policy violations and other integrity concerns.

17.2 Depending on the issue, Escortifys may warn a user; request information; delay publication; reduce distribution; reject, de-index, blur, age-gate, geoblock or remove Content; restrict a Paid Platform Feature; restrict communications; suspend verification; freeze or close an Account; preserve information; restrict internal personnel access; or refer a matter to an appropriate authority where legally permitted or required.

17.3 Moderation may occur before or after publication. Escortifys is not required to pre-screen every item unless applicable law imposes such a duty.

17.4 Where applicable law requires a statement of reasons, notice of a moderation decision, internal complaint process or other redress mechanism, Escortifys will provide it in accordance with the applicable regional procedure.

17.5 Escortifys may act urgently and without prior notice where reasonably necessary to address child safety, trafficking, exploitation, imminent harm, fraud, account compromise, legal process, evidence preservation or serious platform abuse, subject to law.

17.6 Repeated attempts to evade enforcement by creating new accounts, altering identifiers or using intermediaries are prohibited.

18. Reporting illegal or prohibited Content

18.1 Escortifys will provide reporting channels appropriate to the feature, which may include reporting a Listing, image, account, message, review, impersonation, verification issue, intellectual-property claim, privacy issue, exploitation concern or other suspected violation.

18.2 A report should identify the Content, its location, the nature of the concern, supporting facts reasonably available to the reporter, and contact information where required or appropriate. Reports concerning child exploitation or certain serious offences may be handled under specialized procedures.

18.3 Reports must be made in good faith. Knowingly false, abusive, harassing or manipulative reports may themselves violate these Terms.

18.4 Escortifys may request additional information, preserve relevant records, notify affected users where lawful, and communicate the result or available redress where applicable law requires or Escortifys policy permits.

18.5 For immediate threats to life or physical safety, contact local emergency services. Escortifys is not an emergency response service.

19. Child sexual exploitation, trafficking and emergency safety

19.1 Escortifys has zero tolerance for child sexual abuse material, sexual exploitation of minors, trafficking, forced activity and non-consensual commercial sexual exploitation.

19.2 Escortifys may use reporting, hashing, detection, preservation and escalation tools where lawful and appropriate. It may report suspected material or conduct to competent authorities or designated reporting organizations when required or permitted by law.

19.3 Do not download, redistribute or independently investigate suspected child sexual abuse material through the platform. Use the reporting mechanism and, where appropriate, the relevant national reporting authority.

19.4 Escortifys may preserve account, device, transaction, moderation and communications records when reasonably necessary to respond to a credible safety concern or legal preservation obligation.

20. Intellectual property and rights complaints

- 20.1** Escortifys and its licensors own the Services, software, interface, databases, brand elements, trademarks, logos, original editorial material and other platform intellectual property, except User Content.
- 20.2** You receive a limited, revocable, non-exclusive, non-transferable licence to use the Services for their intended purpose in accordance with these Terms.
- 20.3** You may not copy, reverse engineer, scrape, frame, mirror, sell, sublicense, create a competing database from, or commercially exploit the Services except as law expressly permits or Escortifys authorizes in writing.
- 20.4** Copyright, trademark, image-rights, impersonation and unauthorized-content complaints will be handled under the Intellectual Property & Takedown Policy and any legally required notice-and-takedown process.
- 20.5** Submitting a rights complaint does not authorize the complainant to publish another person's private information or make knowingly false statements.

21. Privacy and personal information

- 21.1** Escortifys processes personal information as described in the Privacy Policy and any applicable Regional Privacy Addendum.
- 21.2** Depending on the Services used, information may include account identifiers, contact data, profile information, photographs, verification information, approximate or precise location where enabled, communications, payment metadata, moderation records, safety reports, device/security data, and information that some laws treat as sensitive or specially protected.
- 21.3** Users must not upload another person's personal information unless they have a lawful basis and comply with the applicable Privacy Policy, Content Policy and law.
- 21.4** Where law requires separate or explicit consent for a specific type of sensitive processing, Escortifys will not treat general acceptance of these Terms as a substitute for that legally required consent.
- 21.5** Verification and age-assurance systems should collect no more information than reasonably necessary for the stated purpose and may use specialized third-party providers as described in the Privacy Policy.

22. Third-party services and links

- 22.1** The Services may contain links to, integrations with or services provided by third parties. Escortifys does not control and is not responsible for third-party terms, privacy practices, security, content or availability.
- 22.2** External links in user Listings may be restricted, moderated or disabled. A link appearing on Escortifys is not an endorsement.
- 22.3** You must not use redirects or external links to bypass content, advertising, age, payment or safety restrictions.

23. Platform availability, changes and beta features

- 23.1** Escortifys may change, add, suspend or discontinue features, categories, ranking methods, interfaces, verification methods or geographic availability.
- 23.2** Preview, beta, experimental or limited-release features may be incomplete, changed or withdrawn. Escortifys will not describe a feature as active in these Terms solely because it is planned or technically scaffolded.
- 23.3** Escortifys does not guarantee uninterrupted, error-free or secure availability, but this does not limit any non-waivable duty to use reasonable care or maintain legally required security.

23.4 Scheduled maintenance, security incidents, legal restrictions, provider outages or force majeure may affect availability.

24. No endorsement; user due diligence

- 24.1** Escortifys does not endorse or certify a user merely because a profile, review, verification badge or Paid Platform Feature appears on the Services.
- 24.2** Users are responsible for exercising independent judgment before contacting, meeting, hiring, engaging, paying or otherwise interacting with another user.
- 24.3** Escortifys cannot guarantee that information supplied by users is complete, accurate, current or truthful, even where some attributes have been verified.
- 24.4** Nothing on the Services is legal, medical, tax, financial, security or professional advice.

25. Disclaimers

- 25.1** TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, THE SERVICES ARE PROVIDED ON AN "AS IS" AND "AS AVAILABLE" BASIS. ESCORTIFYS DISCLAIMS IMPLIED WARRANTIES THAT MAY LAWFULLY BE DISCLAIMED, INCLUDING IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE AND NON-INFRINGEMENT.
- 25.2** ESCORTIFYS DOES NOT WARRANT THAT ANY USER, LISTING, REVIEW, REPORT, VERIFICATION STATUS, CONTACT, OFFLINE INTERACTION OR USER-GENERATED REPRESENTATION IS SAFE, LEGAL, ACCURATE, SUITABLE OR FREE FROM RISK.
- 25.3** ESCORTIFYS DOES NOT GUARANTEE LISTING TRAFFIC, RANKING, CONTACTS, BOOKINGS, REVENUE, RESPONSE RATES, REVIEW OUTCOMES OR BUSINESS RESULTS.
- 25.4** Nothing in these Terms excludes a warranty, condition, guarantee or remedy that applicable consumer or other mandatory law says cannot be excluded.

26. Limitation of liability

- 26.1** Nothing in these Terms excludes or limits liability for fraud, fraudulent misrepresentation, wilful misconduct, death or personal injury caused by negligence where such liability cannot lawfully be excluded, breach of a non-waivable statutory duty, or any other liability that applicable law prohibits us from limiting.
- 26.2** Subject to section 26.1 and to the fullest extent permitted by law, Escortifys is not liable for indirect, incidental, special, exemplary, punitive or consequential loss; loss of profits, goodwill, business opportunity, anticipated savings or data; or loss arising from an offline interaction between users, except where such exclusion is prohibited by law.
- 26.3** Subject to section 26.1, Escortifys' aggregate liability arising out of or relating to the Services or these Terms during any twelve-month period will not exceed the greater of (a) the fees you paid directly to Escortifys for the Services during the twelve months immediately preceding the event giving rise to the claim, and (b) USD 100 (or the local-currency equivalent), except to the extent a higher minimum liability is required by law.
- 26.4** The limitations in this section apply regardless of the form of action and only to the extent legally enforceable in the jurisdiction governing the claim.
- 26.5** If you are a consumer, nothing in this section is intended to deprive you of mandatory remedies or statutory rights.

27. Indemnity

27.1 If you use the Services in a business, professional or commercial capacity, you will indemnify and hold harmless Escortifys and its affiliates, directors, officers, employees and contractors from third-party claims, losses, liabilities and reasonable legal costs arising from your unlawful User Content, your material breach of these Terms, your infringement of another person's rights, or your unlawful offline conduct, to the extent permitted by law.

27.2 Section 27.1 does not require indemnification for loss caused by Escortifys' own negligence, wilful misconduct or breach of law, and does not apply to a consumer where applicable law prohibits or limits such an indemnity.

27.3 Escortifys will provide reasonable notice of an indemnified claim and will not require a settlement that imposes a non-monetary admission or obligation on you without reasonable consultation.

28. Suspension and termination

28.1 You may stop using the Services at any time and may close your Account using the available account process, subject to outstanding payments, disputes, legal holds and retention permitted by the Privacy Policy.

28.2 Escortifys may suspend or terminate access for material or repeated breach; fraud; exploitation risk; illegal Content; evasion of enforcement; non-payment; safety threats; legal process; or where continued service would create unacceptable legal or security risk.

28.3 Where applicable law requires notice, reasons, a cure period or appeal, Escortifys will provide the required process unless an exception permits urgent action.

28.4 Termination does not erase obligations or rights that by their nature survive, including payment obligations, licences needed for retained legal records, intellectual-property provisions, liability limitations, indemnities, dispute provisions and enforcement records.

29. Appeals and complaints

29.1 Where Escortifys provides an appeal or complaint mechanism, you must use it in good faith and provide information reasonably necessary to review the decision.

29.2 Escortifys may prioritize complaints involving minors, trafficking, exploitation, imminent harm, identity misuse, non-consensual imagery, serious privacy violations or unlawful Content.

29.3 Regional law may provide external complaint, regulator, alternative-dispute or court remedies. Nothing in these Terms removes a right that cannot lawfully be waived.

30. Government, law-enforcement, regulatory and legal requests

30.1 Escortifys respects lawful governmental authority but does not treat an informal request, official title, badge, email or telephone call as automatic authority to disclose non-public user information. Escortifys will respond to governmental, law-enforcement, regulatory, court and similar demands in accordance with applicable law, the Privacy Policy and the Law-Enforcement & Government Requests Policy.

30.2 Before disclosing non-public user information, Escortifys may verify the requester's identity, jurisdiction, legal authority, requested Account or identifier, date range, categories of data sought, confidentiality restrictions, and the legal instrument or other lawful basis relied upon. Escortifys may request clarification or additional process where appropriate.

30.3 Escortifys may reject, narrow, seek clarification of, object to or challenge a request that appears invalid, defective, overbroad, disproportionate, outside the requester's jurisdiction, inconsistent with applicable law, or unnecessarily invasive of privacy, where Escortifys has a lawful basis and practical ability to do so.

30.4 Where disclosure is legally required or otherwise lawfully made, Escortifys will ordinarily seek to disclose only information reasonably responsive to the lawful request and will avoid disclosing unrelated information unless another lawful basis requires or permits it.

30.5 A preservation demand, preservation order or comparable legal hold may require Escortifys to preserve specified data while further legal process is sought. Preservation alone is not treated as authorization to disclose the preserved content unless the applicable law or instrument provides otherwise.

30.6 Escortifys may notify an affected user of a governmental or legal request before or after disclosure where notice is lawful and appropriate. Notice may be delayed or withheld where prohibited by law or court order, where it would create a genuine risk to life or safety, prejudice a lawful investigation, compromise evidence, or defeat the lawful purpose of the request.

30.7 Emergency disclosure may occur only where permitted by applicable law and Escortifys reasonably believes the applicable emergency threshold is met, including circumstances involving a credible and imminent threat of death or serious physical harm. Emergency procedures do not convert ordinary investigative convenience into an emergency.

30.8 Nothing in this section limits mandatory reporting, preservation or disclosure obligations concerning child sexual exploitation, trafficking, imminent harm or another matter for which applicable law imposes a specific duty. Escortifys may also make a voluntary report where law permits and the facts reasonably justify escalation.

30.9 For cross-border requests, Escortifys may require use of the legal process applicable to the jurisdiction in which the relevant entity or data is located, including treaty, mutual legal-assistance, domestic production or recognition procedures where required. Escortifys may honour direct foreign process where applicable law permits or requires it.

30.10 Escortifys will maintain appropriate internal records of governmental and legal requests, preservation actions and disclosures. Access to such requests and responsive data will be restricted to personnel with a legitimate need to know. Where Canadian governmental action engages constitutional, privacy or procedural protections, Escortifys may consider those protections in assessing the legality and scope of the demand.

31. Electronic communications and notices

31.1 You consent to receive transactional and legal communications electronically, including by email, account notice or website notice, to the extent permitted by law.

31.2 Marketing communications are subject to separate consent and opt-out requirements where applicable and are not authorized merely by accepting these Terms.

31.3 You must keep your account contact information current. Legal notices to Escortifys must be sent to [LEGAL EMAIL] and, where required, [FULL POSTAL ADDRESS].

32. Changes to these Terms

32.1 Escortifys may amend these Terms to reflect legal, regulatory, safety, product, security or business changes.

32.2 For material changes, Escortifys will provide notice reasonably appropriate to the change and any notice period required by law. A change will not retroactively remove a vested mandatory right.

32.3 If a material change requires renewed consent under applicable law, Escortifys will obtain it before treating the change as binding.

32.4 The version and effective date will appear at the top of the published Terms. Continued use after a validly notified effective date constitutes acceptance only to the extent permitted by law.

33. Governing law and disputes

33.1 These Terms are intended to operate within the Canadian constitutional and legal framework.

They are governed by the applicable federal laws of Canada and, where provincial private law necessarily applies to the contractual or non-contractual issue, by the laws of Ontario, Canada, without regard to conflict-of-laws principles, except to the extent mandatory law in a user's place of residence or another applicable jurisdiction gives that user non-waivable rights or requires another law to apply.

33.2 Subject to non-waivable consumer, privacy, regulatory, statutory or jurisdictional rights, disputes arising from these Terms that cannot be resolved informally may be brought before a court of competent jurisdiction in Ontario, Canada. Nothing in this section purports to confer jurisdiction on the Federal Court of Canada where Parliament has not done so, or to exclude a court that mandatory law gives jurisdiction.

33.3 No mandatory arbitration clause or class-action waiver is imposed by these global core Terms. Any future dispute mechanism must be adopted only after jurisdiction-specific enforceability, consumer-rights and access-to-justice review.

33.4 Before filing an ordinary civil claim, a party should send a written notice describing the dispute and requested resolution and allow 30 days for a good-faith attempt to resolve it, unless urgent injunctive relief, a limitation period, a regulator process, consumer law, constitutional or public-law relief, or another legal reason makes that step inappropriate.

34. Mandatory local rights and consumer protection

34.1 Nothing in these Terms waives a right or remedy that applicable law says cannot be waived.

34.2 If you are a consumer, local law may give you cancellation rights, statutory warranties, refund rights, complaint rights, jurisdiction rights or other protections that supplement or override these Terms.

34.3 If a provision conflicts with a mandatory rule applicable to you, the mandatory rule controls to the extent of the conflict and the remainder of the Terms continues to apply where legally possible.

35. Sanctions, trade restrictions and anti-corruption

35.1 You must not use the Services in violation of applicable economic sanctions, export controls, anti-money-laundering laws, anti-bribery laws or other trade restrictions.

35.2 Escortifys may restrict access, payments or account activity when required by a sanctions or compliance obligation.

36. Assignment

36.1 You may not assign or transfer these Terms or your Account without Escortifys' prior written consent, except where mandatory law gives you that right.

36.2 Escortifys may assign these Terms in connection with a merger, acquisition, corporate reorganization or sale of all or substantially all relevant assets, subject to applicable notice and privacy requirements.

37. Severability, waiver and interpretation

37.1 If a court or competent authority finds part of these Terms invalid or unenforceable, that part will be enforced to the maximum lawful extent or severed, and the remainder will continue in effect.

37.2 A failure to enforce a provision is not a waiver of the right to enforce it later.

37.3 Headings are for convenience only. "Including" means "including without limitation." A reference to law includes amendments and replacement law where appropriate.

37.4 These Terms are interpreted fairly and consistently with mandatory law; no rule requiring ambiguity to be construed against the drafter will apply where law permits that rule to be excluded.

38. Entire agreement and order of documents

38.1 These Terms, the Privacy Policy, Acceptable Use & Content Policy, Advertising Policy, Payments & Refund Policy, Safety, Reporting & Appeals Policy, Cookie Policy, Intellectual Property & Takedown Policy, applicable Regional Addenda, and product-specific terms form the agreement governing the relevant Services.

38.2 If there is a conflict, the following order generally applies: (1) mandatory law; (2) an applicable Regional Addendum; (3) product-specific checkout or feature terms for that product; (4) these Terms; and (5) other incorporated policies, except where a policy expressly states that it controls a specific subject.

38.3 No user-generated statement, profile text, message or representation by another user changes Escortifys' contractual obligations.

39. Translation

39.1 Escortifys may provide translations for convenience or legal compliance. Unless applicable law requires otherwise, the English version is the controlling version if there is a conflict between translations.

39.2 Where consumer or other mandatory law requires a local-language contract or gives the local-language version controlling effect, that law prevails.

40. Contact

40.1 Platform: Escortifys.

40.2 Service or business address: available upon a valid request where disclosure is appropriate, and otherwise provided where applicable law requires proactive disclosure.

40.3 Legal notices: [LEGAL EMAIL].

40.4 General support: [SUPPORT EMAIL].

40.5 Privacy matters are handled through the contact method stated in the Privacy Policy and any applicable Regional Privacy Addendum.

40.6 Illegal-content, safety, exploitation, impersonation, intellectual-property and other reports should be submitted through the designated reporting channel so they can be routed to the appropriate workflow.

Pre-publication legal and product checklist

This checklist is part of the drafting package, not intended for the public webpage. Remove this page from the public-facing PDF or web Terms after each item is resolved.

- ☐ Determine whether any launch jurisdiction requires proactive disclosure of the contracting person, controller, merchant, service address or similar particulars, and implement only the legally required disclosure in the appropriate context; finalize legal and support contact channels.
- ☐ **Obtain launch counsel review of the Canada-first / Ontario-residual governing-law and Ontario-court forum language against the first launch jurisdictions and any mandatory consumer/forum rules.**
- ☐ Confirm launch countries and map prohibited/restricted adult-advertising categories, age-assurance duties, notice-and-action duties, intermediary/platform rules and payment-provider constraints.
- ☐ Before enabling any category that may advertise sexual services for consideration, obtain specific Canadian criminal-law advice on the operator's exposure under Criminal Code ss. 286.2, 286.4 and 286.5; provider self-advertising immunity must not be assumed to immunize the platform operator.
- ☐ Confirm whether launch includes internal messaging, direct contact fields, paid Member/VIP access, Provider subscriptions, featured placement and verification; remove or retain conditional language accordingly.
- ☐ **Confirm in product, billing, staff-access and accounting controls that Escortify never books, procures, collects, routes, settles, commissions or shares in payment for Offline Services, and that Platform Personnel cannot receive Offline Services from users identified through the platform.**
- ☐ Finalize the Advertising Policy so the Terms do not carry the entire burden of jurisdiction-specific ad legality.
- ☐ Finalize the Acceptable Use & Content Policy, including minor safety, trafficking/exploitation, consent, explicit-content, external-link, scam, drug, violence and anti-bot rules.
- ☐ Finalize the Privacy Policy before activating verification, age assurance, analytics, messaging, reviews, safety reports or sensitive-data processing.
- ☐ Finalize the public Law-Enforcement & Government Requests Policy and confidential internal response protocol, including authority verification, scope review, preservation-versus-disclosure, emergency requests, user notice, audit logging, legal escalation and cross-border process.
- ☐ Do not activate public reviews until moderation, evidence, provider response, dispute, retention and defamation/privacy rules are approved.
- ☐ Do not activate Provider Safety Reports / Client Safety Notes until access, lawful basis, notice, accuracy, evidence, dispute/correction, retention, anti-discrimination, confidentiality and escalation rules are approved.
- ☐ Implement a notice-and-action and moderation-reason process capable of satisfying applicable regional duties, including EU requirements where the DSA applies.
- ☐ Implement age-assurance controls appropriate to jurisdictions and content actually offered; do not rely on an 18+ checkbox where stronger verification is required.
- ☐ Align checkout, subscription renewal, cancellation, refunds, taxes and chargeback language with the actual billing provider and target-market consumer laws.
- ☐ Run a final consistency review across Terms, Privacy, Advertising, AUP, Safety/Reporting, Payments, Cookie and IP/Takedown documents so definitions, promises and workflows match.
